Lushena Books, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the winter of 1873 I spent some weeks in one of the tombs of the Necropolis of Thebes in order to study the monuments of that solemn city of the dead; and during my long rides in the silent desert the germ was developed whence this book has since grown. The leisure of mind and body required to write it was given me through a long but not disabling illness. In the first instance I intended to elucidate this story-like my Egyptian Princess -with numerous and extensive notes placed at the end; but I was led to give up this plan from finding that it would lead me to the repetition of much that I had written in the notes to that earlier work. The numerous notes to the former novel had a threefold purpose. In the first place they served to explain the text; in the second they were a guarantee of the care with which I had striven to depict the archaeological details in all their individuality from the records of the monuments and of Classic Authors; and thirdly I hoped to supply the reader who desired further knowledge of the period with some guide to his studies.
