THE COMPLETE CANCER DIARIES: ONE MAN S JOURNEY INTO DARKNESS, WONDER AND HOPE

Brain Waves Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Where is God When We Suffer? In the Fall of 2013 Byron Leavitt grew deeply, oppressively sick. Then, in January of 2014, he learned why: he had stage four Hodgkin s Lymphoma. Byron was given a 50/50 chance of beating the cancer. Taking a deep breath, he marched forward into the fight for his life. As he entered the war, he also started to write. He wrote of his miraculous victories, tragic defeats, and grueling treatments. But, perhaps most of all, he chronicled a growing realization. It is so easy in the valley of death to despair. To be devoured by the night and the terror. To ask yourself, Where is God? Has he left me? But what if, in the depths of utter darkness, we can somehow reach heights we could never have otherwise attained? What if, as we plummet into the clawing abyss, we find Someone who was waiting to catch us all along? That s what this book is about. These are The Complete Cancer Diaries. The Complete Cancer Diaries began in 2014 with the release of The Cancer Diaries. However, as work on that book was drawing to a close, Byron was informed that his cancer had returned. And so, just over one year later, here is the full story. Combining the first Cancer Diaries with a brand-new Book Two, The Complete Cancer Diaries is a brutally honest, sharply funny story, a collection of musings about our world and the God who created it, and a guide to finding hope in the darkness when there s none to be seen. It will challenge you, it will inspire you, and it will help...
