Driving Uber: What I Learned, What You Need to Know to Get Started

By Julia Durand, Ja De

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you are thinking about driving Uber, this is the first book you ll want to read. Driving Uber is a practical guide from a new drivers perspective with a special emphasis on a woman s perspective. Attention is paid to the information we want to know like what to wear, fears of picking up strangers and health considerations. Driving Uber begins with getting started and takes the reader and hopefully new Uber Partner right through their first ride. The first ride is explained in the detailed manner that women like and includes a detailed description of using the Uber Partner app, where to find rider information and includes a snapshot of the Blue Beep that you will come to love when you begin driving. You will appreciate the detailed account of an average day driving Uber and the many decisions you will make from the moment you turn the app on to receive riders until you get that first ping requesting a ride. There are many considerations when choosing to drive Uber, this book is a great...
