Those were difficult days but with the support and encouragement of her parents she learnt to get the best out of her disability. She looked for possibilities, focused on every positive she could dream of, always playing her best shot at facing challenges and failures with dignity and without shame. Sprinkled liberally with failures and obstacles, her story is a journey through a fairly difficult life with lots of courage and never-say-die attitude. In her memoirs she shares all the fun she had living life queen size and on her own terms. For she firmly believes, When life gets cloudy, the trick is to look at the silver lining.
