Stacey Joy Netzel, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.WELCOME TO REDEMPTION .a small town in Northeast Wisconsin where second chances don't always come easy, but if you're willing to try, anything is possible. Grounds for Change, Book 4 Charlie Russell lived with a secret for fourteen years, but now guilt has pushed him to the breaking point. He meets psychologist Dana McClain and feels an instant connection that has nothing to do with his Great Dane, Sugar, spilling coffee down her shirt. Dana switched to counseling animals because she has a history of becoming too emotionally involved with her clients. She figures she's safe helping Charlie with Sugar's issues, until he reveals his secret and asks for her help. She tries to convince herself it's all about the dog, not the guy, but history has a way of repeating itself. With their easy, breezy style and skilled characterizations, Rogers and Netzel have created a town that readers won't want to leave. Romantic Times Book Reviews EXCERPT: Allie lapsed into silence, and Dana sat back to watch the dogs nosing about. She wished she could redo the whole morning. Instead of being so bitchy because he'd sent her pulse into overdrive when Allie opened the front door, she'd have been nice to him. Maybe even flirted. Like those couple minutes in the coffee shop before he'd made that sarcastic comment-that'd been nice. And maybe instead of being so defensive and insecure about what she did for a living, she could just shut up and do her job and let her actions speak for themselves. That'd certainly get her a lot further than the road...
