AVON BOOKS, United States, 2010. Paperback. Book Condition: New. 201 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Full-time hairdressers and part-time private detectives, Debbie Sue Overstreet and Edwina Perkins-Martin--the Domestic Equalizers--have dealt with cheating spouses, shady business deals, Elvis-obsessed shoe thieves, even murder. But ghosts? That s a whole new rodeo!Justin Sadler s just coming to terms with the absence of his dear departed Rachel--but now he s not so sure she s departed! Every time he goes home he knows someone s been there--and if it s not Rachel trying to communicate from beyond, it s someone else who s trying to drive him stark raving bonkers. So the Equalizers are on the case, with the help of an El Paso psychic who s so dead-on, it s scary. It s enough to make any good ol gal s big hair stand on end!The investigation leads them toward one of their tiny West Texas town s more unsavory characters--and, all things considered, Debbie Sue would much rather be cuddling in the arms of her hubby, the sexiest cop in the whole nation of Texas. But the Equalizers will never say die . . . even when dealing with the restless dead.
