Entrepreneurship for Caribbean Students

By Lystra B. Stephens-James, Mauvalyn M. Bowen, Cuthbert C. Joseph

Ian Randle Publishers, Jamaica, Jamaica, 2014. Paperback. Book Condition: New. 235 x 191 mm. Language: English . Brand New Book ***** Print on Demand *****.Entrepreneurship for Caribbean Students is an essential textbook for both students and teachers of Caribbean Advanced Proficiency Examination (CAPE). The text mirrors the Entrepreneurship syllabus and facilitates a holistic learning as well as teaching experience. Seemingly difficult concepts are presented in an easy-to-read manner without the jargon usually found in business textbooks. Each chapter features an initial outline of objectives and learning outcomes; the key terms and concepts as well as chapter summaries. Students and Teachers will also appreciate the section dedicated to completing the School Based Assessment (SBA) component of the examination. The text is rounded out with questions and cases for students to test the application of entrepreneurial skills learnt; as well as a glossary explaining difficult terms and a list of references for each chapter so students can extend their reading on the subject. The collaborating authors are all experienced teachers of entrepreneurship and bring together a wealth of experience in entrepreneurship development and training.

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It has been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.
