Createspace, United States, 2013. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.THE BEGINNING OF A NEW AGE OF HEROES! On the streets of Detroit, Michigan, well-known scientist and researcher John Wilson is reported missing; kidnapped in the dead of night with the only clues of his possible condition being a luxury car purchased in his name, blown to bits on a major street in the heart of the city, with no eye-witnesses. Such a case could only be trusted in the hands of one man. Detective Thomas Millcrowe is hands down the best lawman on the force. And his new partner - a transfer inspector from London - is the best he s seen in years, which might not bode well for the secret he s been keeping from the very city he s vowed to protect. So when the two find that more than just the life of one scientist hangs in the balance, Thomas is caught in a situation he thought he would never find himself in; protecting the two things he holds most precious at the same time - his city, and his secret.
