As well as one of the world s earliest sciences, astrology is an art--and one that isn t limited to humans. Any horse lover can profit from the study of a horse s sun and moon signs. Using an astrological chart--or even the horse s month of birth--character traits, strengths, weaknesses, and athletic potential can be pinpointed. As creatures of flight, horses are sensitive at the best of times; understanding their astrological signs will help owners better interpret their animal s behavior and health.
