Scholastic US. Paperback. Book Condition: new. BRAND NEW, Kids' Poems, Regie Routman, In this four-book series, Regie Routman shares how she teaches poetry writing to children in grades K-4. Each book is written for a different grade level, so the strategies and the poems are perfectly tailored to the developmental levels and the particular delights of that age! Regie Routman combines a selection of free verse poems by first graders with her special strategies for using these poems as models to inspire your own first graders to write powerful poems. Her lessons show you just how to guide kids to write poems about the things they know and care about: learning to skate, disliking asparagus, playing with a best friend, and more. She describes the way she invites children to study the model poem, beginning by asking kids, "What do you notice?" She also shares how she demonstrates the poetry-writing process to children, thinking aloud and drafting poems about her own life, before children write on their own. Includes 20 reproducible poems by first graders to share with kids. Perfect for classroom teachers and parents!.
