You see, over 10,000 years ago, a starship named Atlantis was slingshot through a wormhole on a one way trip to our solar system. Atlantis came into Earth orbit and settled into what is now known as the Atlantic Ocean. When the Atlantans tried to interact with the humans of that time, we thought they were Gods. We simply could not understand that chariots that could fly, and dancing lights in the night sky were not supernatural events. The Atlantans are an ancient and highly moral people and they made the best choice they could. They couldn't go back, and this was not their planet after all. The kids who are selected enter a world of technical marvels and stunning revelations. Atlantis in the 21st Century - 1st thru 8th Chronicles are the stories of one of those schools and four of those kids. This is a thought provoking...
