This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

FINDING GOLIATH AND FRED: A NOVEL OF SARATOGA, 1777

Dog Ear Publishing, United States, 2009. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Tensions are high in the beautiful valley of the Hudson River below the village of Saratoga in the hot and steamy summer of 1777. A large army commanded by the British general, John Burgoyne, is approaching from the north, and an army of patriots is gathering just to the south, determined to block their path. Annie Blair s family and their neighbors, both patriot and Tory, are caught squarely in the path of a conflict about to ignite. On a moonlit August night, Annie sees Liam Ratch, her Tory neighbor, steal her family s team of oxen, Goliath and Fred, right out of their pen. When her brother Josiah s duties as a militiaman getting ready for the coming fight make it impossible for him to search for the oxen, getting them back becomes Annie s quest. With her friend John s help, she sets out to do just that. The adventure on which Annie and John embark finding Goliath and Fred is filled with danger. When they do find them, Annie will quickly learn that not all victims of war are in uniform, and not all people on the other side are enemies. SANDRA E. As a child, she often played with her sister and her cousins on the very ground once fortified by Continental soldiers. With a lifelong interest in American history, Sandra often writes about the Revolutionary War and Civil...
