This Daily Practice series helps your students use their skills, so they won't lose them. There are five problems a day, every day, for 36 weeks. The practice activities are set up in a spiraling scope and sequence so that students practice skills at regular intervals. Correlated to state and national standards, this six-book series provides daily math and daily language practice for grades 6, 7, and 8. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
