Jeff Stuart occupies an enviable position in his Blue Ridge foothills town in the summer of 1956. He's the star halfback on the high school football team, dates the comeliest cheerleader at Rockton High and is destined for a secure position in the family lumber business. Graduation and a football scholarship loom on the horizon. He can have it all if he can just sit quietly in his own room content to listen to the music on his tinny AM radio. The halfback's descent into small-town disgrace is provoked by the return of Cody Hunter, fresh from serving a two-year hitch in the U. S. Army, to the hometown that had angrily chased him away. When Cody drives his cherry-red 1950 Ford into Rockton, guitar at his side, duck-tail blowing in the breeze, every upright soul in town can see the seeds of juvenile delinquency and rock'n'roll anarchy sprouting through the cracks in the Main Street pavement. When Jeff sneaks into a country music honky-tonk and watches the guitar-man rock the redneck crowd into a riot, the schoolboy finds himself sucked into a whirlpool that...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*
