Economical and efficient operation are the fruits only of conscientious, and intelligent work. In some capacities, notably among them that of motorman, the necessity for careful and intelligent attention to his duties is particularly far reaching. The motorman should be capable not only of operating his car over the route with all of its apparatus in good working order; but he should also be a man full of resources, and determination, ready for the many emergencies liable to arise in the operation of an electric car. In order to furnish the student with a reliable guide and counselor which would enable him...
