Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This Sarasvati River book is a sequel to the book Chitpavan Konkanaatha Brahmins History [Pre- And Proto-]. Like the previous book, it further takes the history to its final logical conclusion. It shows categorically that the Original Home of the Chitpavan Brahmins ancestors was right on the banks of the ancient Vedic River Sarasvati, near its origin in the Himalayas, in the region now known as Uttarakhand of India. The Chitpavan Brahmins ancestors were called Agnihotri Brahmins then and were the neighbours of the Maithili Brahmins ancestors in the region to their north-east as narrated. In the companion book Chitpavan Konkanaatha Brahmins History [Proto- And Pre-] of this author, it was seen that the historic connection to Ahichhatra in present-day UP, with due evidence, was provided by the Kannada Shashtik Brahmins who shared common ancestry with Chitpavan Brahmins. In this case, it is the Maithili Brahmins, one time old neighbours of the Chitpavan Brahmins ancestors for long since the ancient Vedic times, who have come forward to provide the missing link to their ancestral history by emphatically providing the necessary evidence and connection of their ancestral home on the banks of the Vedic Sarasvati River in the Himalayas. Some of the readers might not have read this authors previous companion book - Chitpavan Konkanaatha Brahmins History [Proto- And Pre-]. It is a very important one and a predecessor of this book. It is a must-read for getting the full picture of Chitpavan Origins. To acquaint them with its central ideas, a short synopsis from it is given at the beginning of this book, with its introduction etc. All the same, they should not miss upon...
