NOTES ON ISLAM

Hesperides Press. Paperback. Book Condition: New. Paperback. 100 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. NOTES ON ISLAM BY SIR AHMED HUSSAIN FOREWORD THE following Notes were enclosed by the author in his weekly letters to his brother and sons who were students in the Universities of Cambridge, Edinburgh and Birmingham. I persuaded him to allow me to have them printed, as I thought they were suggestive and useful. He has however desired me to say that they should not be regarded as any thing but concise memoranda jotted down at short intervals between the busy hours of his official life as general answers to questions put to him. They contain some passages which are too concise or abstract, if not vague or enigmatic. But, the author says, he left them designedly so in order to induce his readers to try to understand them or at least to seek explanation and illustration. Numerous footnotes have been added for the same purpose. He frankly admits that his view of Islam is neither quite orthodox nor quite heterodox but something midway between the two. It was put forward in order to make his boys think for themselves and argue with him. The first three Notes may be skipped at the first reading. Banganapalle, 11th August 1922.
