

Nosy Moms Guide: How to Prevent, Detect, and Remove Pornography from Your Computer

Filesize: 6.85 MB

Reviews

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 120 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. **INSIDE:** Download FREE software to prevent, detect, and remove pornography from your computer. Are you worried there might be inappropriate sexual images, videos, or music on your family computer? Do You Want to Find Out? Most parents are not aware that in one study 42% of Internet users aged 10-17 were exposed to online pornography over a one-year period. A national child advocacy group documented 27% of reported incidents of online solicitation involved asking kids for sexual photographs of themselves. A particularly frightening number is that 1 in 25 of online solicitors attempted to make contact with the child offline, either in person or via phone. The Nosy Moms Guide: Preventing, Detecting, and Removing Pornography from Your Computer gives parents the tools they need to keep their kids safe from pornography and online sexual predators. These tools and resources are FREE and do not require the installation of expensive monitoring software or easily bypassed firewalls and filters. **READER REVIEWS** It's sad that we live in times where parents need to know about this stuff, but they do. If I can do this, anyone can do it. And they should. The instructions were easy to follow and the resources were invaluable. This will help me keep my kids safe. I just wanted to make sure. Thank you for putting my mind at rest. In her new book *Nosy Moms Guide: Preventing, Detecting, and Removing Pornography from Your Computer*, author Elizabeth Peterson shows you: Warning signs there may be pornography on your computer; How to keep your kids from knowing you are checking on their activity; How to check your computer for inappropriate images, videos, and music; How to securely delete pornographic files...
