Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 232 pages. Dimensions: 8.9in. x 6.0in. x 1.0in. Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; shes even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia with good reason: the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupis species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides. But the winds of change are blowing, changes that will alter the future of not only the Canis lupis, but of another ancient race as well. Amidst all of this, Sally is continuing to come to terms with her relationship with the playful, charming, flirty, unbelievably handsome bartender who happens to be a member of the Romanian pack. If all that werent enough, the Fates have decided to pay a little visit to Jen. Its time to collect. She cheated the Fates of a life, her life. Now they want what they are due. The problem Its more than Jen is willing to...
