Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

THE DEER WEDDING

[DOWNLOAD](#)

Alcemi. Paperback. Book Condition: new. BRAND NEW, The Deer Wedding, Penny Simpson, Two periods of Croatian history are interwoven in the stories of a sculptor and a student both seeking truths about their parents. Antun belongs to 1941, the time of the first Independent State of Croatia, and Dagmar, 1998, when a second attempt at independence was forged, following the Balkan War of 1992 - 1995. Set in Split, Zagreb and Hvar, the novel explores how a country like Croatia could implode into such violence; how history is still a living (and unspent) force for many and how might it be possible to trace out a future when so much has been broken and destroyed. Can a country torn apart by civil war ever know peace? Was the price paid for independence really worth it? In 1941, artist Antun Fiskovic experiences a sea-change in his fortunes following the revelation of the identity of his real parents, just as occupying forces take over the government of his country. Fifty years later, a young woman called Dagmar Petric begins a search for answers to the suicide of her father, a disgraced journalist in Tito's Yugoslavia. Antun and Dagmar's stories come together in 1998, in a newly independent Croatia. But what happens when the dead come to life? This is the question that haunts both protagonists, a question that is only answered when Antun breaks his silence over the bitter legacy of a wartime killing by Branko Ostojic, a childhood friend and partizani hero, as the sculptor prepares for his retrospective.
