 This is an important work upon an important subject. The
 liberty of the human will I regard as a first truth. But like some
 other first truths, it has been extensively denied in theory. A
 most false and injurious philosophy of the will has extensively
 prevailed in the christian church, and has given birth to a
 brood of theological dogmas alike absurd and ruinous. The
 above named work was designed and is I think highly
 calculated to correct and rebuke the philosophy just alluded to.
 It is a fair, an able, and it seems to me a thorough statement
 and discussion of the subject, and a complete refutation of the
 dogma of a necessitated will. The book is small, cheap, and for
 a metaphysical discussion has the rare quality, of perspicuity.
 Since errorists every where teach and affirm the doctrine of a
 necessitated will, and since this is the stronghold of infidelity in
 all its forms, every youth and every person should acquaint
 himself with the truth and doctrine of the...
