

## Combinatorial Extremization (Hardback)

---

By Yuefeng Feng

World Scientific Publishing Co Pte Ltd, Singapore, 2016.  
Hardback. Book Condition: New. 229 x 157 mm. Language: English . Brand New Book. In China, lots of excellent students who are good at maths takes an active part in various maths contests and the best six senior high school students will be selected to form the IMO National Team to compete in the International Mathematical Olympiad. In the past ten years China s IMO Team has achieved outstanding results - they have won the first place almost every year. The author is one of the coaches of China s IMO National Team, whose students have won many gold medals many times in IMO. This book is part of the Mathematical Olympiad Series which discusses several aspects related to maths contests, such as algebra, number theory, combinatorics, graph theory and geometry. The book elaborates on methods of discrete extremization, such as inequality control, repeated extremum, partial adjustment, exploiting symmetry, polishing transform, space estimates, etc.

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
