OXFORD, OXFORD UNIVERSITY PRESS ESPAÑA, S.A., 2010. Rústica (Tapa blanda). Book Condition: Nuevo. Dust Jacket Condition: Nuevo. Once green was just a colour. Now we use it to talk about a way of looking at our world and thinking about the environment. But how green is our planet today? From nuclear power plants to Nemo the clownfish, from polar bears to pesticides, from Greenpeace to global warming, this book brings together many different stories that have made environmental history. Read it, and perhaps you too can help to make our planet greener! Dominoes are a very popular series of graded readers for teachers in all types of schools and colleges who use the series as a supplement to regular course books. Interactive, fun MutliROM containing a range of effective games and activities as well as entertaining dramatized audio recordings, featuring multiple actors, music, and sound effects which bring the story to life. Before Reading activities provide background information and build prediction skills. Reading Check, Word Work and Guess What activities are fun ways to check comprehension. Five pages of project work enable you to build class presentations, poster making and group work into your classroom. Seven pages of grammar activities in every book allow for consolidation of learning. LIBRO.
