Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe. (Derick Brekke)

HarperCollins Publishers, United Kingdom, 2004. Paperback. Book Condition: New. 174 x 110 mm. Language: English . Brand New Book. A chance encounter with an old flame sets reluctant investigator Thorn on a collision course with some of Florida s most ruthless killers in a heart-stopping story of modern-day piracy from the acclaimed author of *Blackwater Sound*, hailed by Dennis Lehane as the king of Florida noir . Anne Joy first fled to the Sunshine State to escape a violent past. Now, years later, she slips back into bad company when she gets entangled with Daniel Salbone, a rising figure in the local mob whose men have been terrorising shipping lanes. When Thorn s old connection with Anne comes to light, he is desperate not to be dragged into dangerous waters. But the kidnapping of his best friend s daughter forces him to embark on a hunt that will take him from the deceptive lushness of the Florida Keys to a nightmare climax in one of the most remote and blood-chilling spots in the Caribbean.
