HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The Loving Daylights, Lynsay Sands, New York Times bestselling author Lynsay Sands delivers a "madcap escapade" (Publishers Weekly) in this contemporary romance about a quirky inventor and unexpected love. Shy Jane Spyurus loves gadgets. She can build anything B.L.I.S.S. needs in the international organization's fight against crime-although its agents aren't exactly lining up at her door. Some of them think her inventions are a little too .well, innovative. Like her shrink-wrap prophylactic constraints or her spray-on truth serum. Of course, you can't use wacky inventions to fix all your problems; Jane knows that better than anyone. Her neighbor has been kidnapped, driving that point home. She will have to team up with another human being-and Abel Andretti arrives just in time. He will help Jane find her neighbor, stop a villain, and, most of all, he will show Jane how to love the daylights out of something without batteries.
