

Secret Lives of the Composers: What Your Teachers Never Told You About the World's Musical Masters

By Elizabeth Lunday

Quirk Books. Paperback. Book Condition: new. BRAND NEW, Secret Lives of the Composers: What Your Teachers Never Told You About the World's Musical Masters, Elizabeth Lunday, In the fine tradition of "Secret Lives of Great Authors" and "Secret Lives of Great Artists" comes the latest entry in Quirk's successful series: "Secret Lives of Great Composers". You've heard their scores in countless movies, from "Fantasia" to "Apocalypse Now" - now get the skinny on their tumultuous lives, loves, and lunacy. You'll learn that Frederic Chopin had his heart removed before burial, due to his grave fear of being buried alive. Sergei Rachmaninoff hated the sound of his own music and despised performing it. Gustav Mahler was rarely invited to dinner parties because he would eat nothing but whole wheat bread and apples. Haydn's head was stolen by would-be phrenologists who hid his skull in a specially made black box. Hector Berlioz hatched an intricate plan to kill his former fiancée, her lover, and her mother with a pair of double-barreled shotguns - while wearing women's clothing. Dmitry Shostakovich was the first composer to have a piece sung by an astronaut in outer space. And much more!.

Reviews

An extremely wonderful book with lucid and perfect information. It is one of the most awesome publication i have read. Your life period will probably be enhance the instant you total looking at this pdf.

-- Prof. Dan Windler MD

It is really an amazing publication i actually have at any time read. It is really simplistic but unexpected situations inside the 50 percent of your pdf. Its been written in an exceptionally simple way in fact it is just right after i finished reading this ebook where actually transformed me, alter the way i really believe.

-- Dr. Celestino Spinka III
