### ***Reviews***

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.*

Johnny make a quilt! repeated Rob Marshall, with a shout of laughter. I d as soon expect to see a wild buffalo knitting mittens! But you re not to speak of it outside the family, Rob, his mother hastened to say, and you must not tease the little fellow. You older children have ways of earning pocket-money, -Rhoda with her painting, and you with your bent iron work, but Johnny hasn t had a cent of income all fall. You know when your father explained what a hard winter this would be, and said we must economize in every way possible, Johnny offered to give up the little amount I allowed him every week for chores. He has been doing his work ever since without pay. Now, he is wild to buy Todd Walters rifle. He can get it for only three dollars, and I want him to have it if possible. He has cheerfully gone without so many things this fall. He followed me around the house all morning, begging me to think of some way in which he could earn the money, until, in desperation, I suggested that he piece a quilt for me at a cent a block. To my great surprise, he consented eagerly. He usually scorns anything that looks like girls work.
